

Good news for 25 Scottish Councils. Another Rates Freeze.

After 50 years in business, Arthur McKay is one of the country's leading Building Support Services contractors, delivering services ranging from Electrical and Mechanical to FM and Networks.

Now we're also the best value.

For councils within a 75-mile radius of Edinburgh and Glasgow we're freezing our charges at 2008 rates* on all new contracts. And what's more we're keeping them on ice until March 2011.

So if you're one of the councils on the list shown opposite you can take advantage of top quality maintenance programmes at rock bottom prices. Good news indeed for tight council budgets.

(If you're outside our catchment area, please get in touch anyway. We may very well be able to be of service to you.)

To find out more about this money saving initiative from Arthur McKay email ratesfreeze@arthur-mckay.com, or call Ian Westwater on 0131 440 6000.

It won't be the least bit taxing.
